**Transcript in CJA Cases.** In multi-defendant cases involving CJA defendants, no more than one transcript should be purchased from the court reporter or transcriber on behalf of CJA defendants. One of the appointed counsel or the clerk of court should arrange for duplication, at commercially competitive rates, of enough copies of the transcript for each of the CJA defendants for whom a transcript has been approved. The cost of such duplication will be charged to the CJA appropriation. This policy would not preclude the furnishing of duplication services by the court reporter or transcriber at the commercially competitive rate.

**Accelerated Transcripts.** In individual cases involving requests for accelerated transcripts, the court may grant an exception to the policy set forth in CJA cases, above, based upon a finding that application of the policy will unreasonably impede the delivery of accelerated transcripts to persons proceeding under the CJA. Such finding should be reflected on the transcript voucher (CJA Form 24, Authorization & Voucher for Payment of Transcript, section 14D).
